*Please accept our deepest condolences for your loss. We wished circumstances would have been different that we could have comforted and supported you all in person. But know that, for all of the years that we have both known her, your Mother/Wife was always a beautiful lady...that of Class, And we're not speaking of her outward beauty, but she had a lovely spirit.
God Bless each of you.*

“ Visiting with Lennie and all of you over the last two years when Mom and I would make our Centralia runs was a real treat. I will remember and cherish the sweetness of the fellowship and the strength, class and kindness of cousin Lennie. Know that I will be holding each of you in prayer in the coming days as you process and mourn the loss of your mother/wife. "Earth has no sorrow that heaven can not heal."

“ Cynthia, Marla, Carla, Crystal, & Andre

Your cousins, Ileen and Kevin send our condolences.

I can't help but think about the days my mother would round up all her children and she would walk us to y'all house when y'all lived on Lincoln street. Your and my mother would talk for hours. Even though it was just u 3 girls at the time, it seemed that yalls household was a house full of girls. Take care.

Love y'all, Kevin Muhammad.
