“ I met Lillie when my great aunt was at the same nursing home. I rem hearing someone playing honky-tonk music on the piano. I asked who it was, they showed me, and I went over to listen to her play. She could really make ya wanna get up and dance! When I'd go visit my great aunt, if I saw her around I would ask her if she was gonna play some honky-tonk music for me. She would shake her head yes and wheel herself over to the piano. I could've listened to her play all day long. She had a very special place in my heart and she always will! My condolences to her family. May she R.I.P. Thanks for the wonderful memories Lillie! I'll never forget you!
