“ I was blessed with Linda's friendship. She was always the first person to offer to help when it was needed and it was a friendship that went very deep for both of us. She truly was like a sister to me and I will miss her for the rest of my life. I am trying to remember the saying " don't cry because it's over but smile because it happened". We packed a lot of fun into the past 45 years!

“ Although we didn't know Linda personally, we saw her often helping at St. Mary's. I used to work with Heather. We know what a fine lady Linda was for the way she always handled herself at the school functions and church...May God give you the necessary strength to get through this difficult time
