“ Love you Linda June, I remember so many things when we were younger, so sad we never saw each other much when we were older just calls and cards. I have pictures of you my cousin and Uncle Junior and aunt Linda, I hold dear. Rest in peace my beautiful cousin.....

“ To be absent from the body is to be present with the Lord. Finally at peace in the Fathers arms. Linda June loved family and left her kind mark in our memories.

“ We did and always will love you Linda June. Hope you enjoy being with your husband and parents now. You never forgot a birthday or holiday... You were there for us when we were little and when daddy was ill. You had a pure and trusting heart.
