“ We always enjoyed coming down to Centrailia for a visit and seeing all the Logullo’s. Lou was always a jokester who loved to laugh and have a good time. I was a bit younger but have so many vivid memories of all the fun us cousins had back in the day. You will be missed cousin Lou. 🙏❤️

“ Sending my deepest condolences to his family and many friends. Haven't seen Louie since the time a friend and I drove in from St. Louis in the early 70's to see people and his mom invited us for a spaghetti dinner. Always remember Louie as smiling and laughing which made always of us happy. Rest in peace my friend.

“ Lou was a good friend of mine and Vicki,s when I lived in Centralia. We played some golf, drank a beer (maybe a dozen) and just had a lots of fun, He always wanted a mulligan when we played golf, so that was understood. You could use that mulligan anytime and anywhere on the course. He was a ball to play golf with and a real gentlemen on and off the course. He was a great husband, father and grandfather. We had some great times at the Green Grill and of course at Orland Bauer's place.
I want to tell all of the family how very sad I am to hear of his passing and just want all to know that I am praying for Lou and his family at this difficult time.
May God Bless you Lou and your family. Have a beer with Vicki Parish Lowrie when you get to heaven. With lots of love, Gary Lowrie
