“ I am so very sad Aunt Margaret has passed. She was loved so much and cherished her grandkids and great grandkids. She was so very dear to me, I will cherish all the memories I have of when her and Uncle Jim came to Arizona. I find peace in thinking she is with her my dad (her brother). We shared a love of clouds, and I know she's floating on them now and will remember you every time I look up. Love you so much.

“ *Dear James, Kevin, Jeff, and all the families,
I just want to share that I had met your Mom and Dad once up at Salem. You see, my aunt Mid, was married to my Uncle Gene Huddlestun. They always enjoyed the times you all had together, and they just loved family and being able to visit. You all have my deepest sympathy, I am so sorry for your great loss, it's very hard losing a wife and a mother. I will keep you all in my daily thoughts and prayers.*

With Deepest sympathy,

Mrs. Tika Garner Hines

“ Sorry to hear of Margaret's passing. My thoughts and prayers are with Jim and her family. I remember Margaret as a very polite and caring gal when we were in the same graduating class at LaGrove High School in Farina years ago. I last saw her and Jim at our class reunion in Effingham, IL several years ago. She will be missed.
