“ Maggie was our special friend who lived across the street from us for many years. Every time we were transferred to a new location, Maggie came to visit us. We will always remember the times we shared. Jimmy & Judy Shehorn

“ You had a such a giving heart. Several years ago I took in a dog that was dumped by our house. You took the dog to the vet for me and paid for all the care. You will always be remembered as a loving person.

“ I have many fond memories of Maggie. I worked with her at IL Bell and we became instant friends!! She was such a loving person with all her "family of pets" - the last time I saw her she was giving someone a bag of cat food! She always called me her "favorite red head" and I think of her often. May God Bless you all!

“ You were such a special person and I have so many wonderful memories of being with you and 'your kids'. So many animals were helped through you. You will be missed. I love you.
