“ *Bob, John, Donna and other family members I hope all of you know how much Aunt Marie meant to me as I grow up. She was loving, kind, supportive and giving. I loved when Mom would say we were going to visit her or she was coming to visit us. I still have the afghan she made for my wedding gift. I know the last years of her life were not easy for her nor any of you. You honored her by the love and care you showed her. May she rest in the loving arms of Jesus. Marietta Farris*

“ John/Bob My condolences on the passing of your Mother Marie. I had the pleasure of meeting her several times at Mater Dei, and again at Quincy University. She was a very caring wonderful person, who lived an exemplary life, and is now with God for eternity.
