“ Mrs. Allen was a very special person and one of my favorite teachers at luka. In fact the year that I had her I dressed up as her for Halloween. That caught her by surprise and as well the rest of the staff. LOL.
She will always be the teacher I tell my kids about. She will be truly missed.

“ I had the honor of not only working with Mrs. Allen before she retired, but ai was also a former student at luka. She was the reason I became a teacher. Mrs. Allen was an amazing teacher, friend and role model to me. She touched my life in many ways. I am better for having known her.
