“ I took Mark and his friend flying once. I couldn't get over how thrilled he was. He even flew the plane for awhile.

Mark was a great friend. Wish I could have kept touch with him over the years. His port and polished Chevy heads were amazing! An amazing talent.

Condolences to Barb and Dianne!

“ I was saddened to hear of Mark’s passing. He and my dad were good friends. I have fond memories of visiting Slim, as I knew him, and his Doberman’s every time we would visit Centralia. We lost touch after my father passed, but I have never forgotten him. My heart goes out to his family in this difficult time.
