Paul, Nancy, Dean, Roger, Janet and David - Your mom (Martha) was such an important part of the White family. I know she was one of my dad's most favorite people in the world. I so vividly remember the two of them teasing and laughing with each other. I want to believe he's one of the first to welcome her anew. Blessings to you all and know you are supported and loved. Dave PS. My mom sends her love and support too!

“ *I only recently learned of Martha's passing. She was a first-class mother of a first-class family. My condolences go to Paul and the five children. Wow, that video brought back some memories growing up on Linden Ave. I'll never forget a Halloween party Martha had in your basement for the neighborhood kids. She put a lot into it, and it was pretty "scary." Again, sorry for your loss, Craig Henderson.*

“ Dave, sorry to hear about your loss. It was always apparent how much love and respect you had for your mother, through all of the stories you shared during those early years we were working together (the 80's and 90's).

Through those same stories bridging 3 plus decades, I feel like I know the entire Heinzmann family.

My Thoughts are with all of you.
