“ *Aunt Kathie took care of me many times when I was a child and I spent a great deal of time, along with my cousin, hijacking her Avon tricycle. She was very loving and always had a great smile and laugh and always made sure, along with Grandma Esther, that I was never without a snack, my Raggedy Ann, and a lot of love. ~ Chantal*

“ When Kathie and Steve were married she became the “second” Kathy Bryant in the family. I would tease her that I was the original KB but it was okay since it was her I would allow her hold the KB title. She would laugh and grin! Always a smile on her face and a wonderful positive attitude and outlook on the world is how I'll remember her.

Many, many wonderful memories of growing up with Kathie. She had a difficult beginning and many trips to Shriners to help her become more independent. She took great delight in so many things and she would get tickled telling and retelling some of her stories and you were laughing with her even before you knew "the rest of the story"! Her laugh was infectious! We will miss having her at family reunions and just stopping to visit.

Kathie was a joy with her smile and non stop talking. Every time we saw each other she would repeat the story of us in separate 1st grades and that upset her so. Life time, Southtown friends. Steve, so happy you came into her life and shared a wonderful son. Jeremy she will always be watching your precious daughter and will keep smiling as a loving grandma. Sorry for your grief, but glad of so many good memories for you to hang on too and Kathie is at peace now and keeping an eye on you.
