“ I have so many good memories of so many times spent catching up with Ann over a late lunch. Reminiscing on growing up next door to each other. I had missed knowing of Ann's passing. Only learned today (10-03). I'd been concerned when trying to call her earlier today. It was strange that she didn't answer, nor did her answering machine pick up. I will miss her so much!  
(See you on the other side sweet friend!)

“ Ann was a good friend since high school - always very friendly. She often talked of her family and cousins with love. We are so sorry we cannot attend her celebration as we have a previous family obligation.
