“ *I recall when Mick and I were kids, playing in the woods across from his folk's home. We thought back then we'd live forever. When you start losing your buds, the reality of how fragile life is smacks you upside the head and tugs heavily on your heart. Rest well my old friend and keep a spot reserved for me.Life is like a drop of rain. You see it fall, kiss the earth and disappear.My prayers are with his family. May God hold you close and comfort you at this time.Bro Ward*
