“ My condolences to Michael's family and friends. I remember when Michael arrived on the scene at MS&K, he hit the ground running and didn't stop until his retirement. We would have many conversations from our love of music to "reminiscing" about our early years at MS&K. Rest in peace Michael, ride and sing w/the angels.

“ My sincere condolences to his surviving family members. I knew and made friends with Mickey while he worked at Mitchell Silberberg & Knupp (the law firm) in Los Angeles. He was a great guy. He was cantankerous when people rubbed him the wrong way, but would give you his last cent or the shirt of his back if he liked you. He had some great stories about his service time in Vietnam and his time on the road as a musician. We shared a common bond of riding motorcycles. We attended several motorcycles shows along with another friend from the firm. He loved riding his bike through the congested traffic that is an everyday occurrence in Los Angeles. I and a lot of people at the firm will dearly miss him. Eternal rest grant unto him, O Lord; and let perpetual light shine upon him. May he rest in peace. Amen. God Bless you my friend.
