“ I have known Mike almost my whole life and have so many memories of growing up. We had great times together, and he was always a great friend always welcoming this prodigal son home with a big hug and that sly grin. We spent the day of our class reunion together so I was blessed to have made another memory before he passed. To the family his friends would want you to know that we loved him as a brother and will miss him much. Prayers and Gods blessing be upon you as you mourn his passing. May he Rest In Peace.

“ Mike, I will never forget the time when you had injured your knee and could not deer hunt. We dropped Chris and Rick off at their stands and we spent the afternoon sitting in the bed of Ricks old pick up smoking and telling jokes. Then a deer appeared out of no where and you got it and then asked if I wanted to take a shot at the other one. Of course the next year I was hunting with you all and all of the following years. I will never forget how you would take Chris and John duck and goose hunting. We sure had some good times way back when. I hope you are at rest and your souls is at peace. I hope you find what you were looking for. When you see my brother say Hi for me. Love you always!! Rest in peace. Debbie (aka Rita)
