“ *The last time I saw Michele was at the Odin Nursing Home visiting her mother I believe. She looked so young with her hair longer than usual. I hope time heals your pain of losing such a great wife mother and friend.*

“ *Mark and Family, my thoughts and prayers for you as you come to terms with your loss. Through the years I've relied on one of Michele's recipes, a hot fudge sundae desert recipe that she shared with me eons ago when I visited there. I'm truly saddened.*

“ Mark & family, we were so shocked to hear of Michele's passing. I know what you are going through Mark, but your loss was so sudden and unexpected, which makes it much harder to deal with and understand. We are so sorry we couldn't make the memorial services, but Sheila has some medical issues that we are dealing with. You and your family are in our thoughts and prayers. Time will heal, but it will never take away the hurt. Just remember the good times as that, I am sure, is what Michele would want. Our love and prayers, Gary & Sheila Lowrie.
