“ So many great memories with Mike and Lisa. Sending prayers to all his family and friends. Mike was the biggest practical joker I have ever known. Lisa definitely completed him and helped and encouraged even more of this (not sure which one was the leader) Always a HOOT to be around, but the Lobster Claw Machine day down in FL is one I will never forget. Mike will truly be missed, but he I know in my heart he wants us all laughing and cracking jokes.

“ Just rembering when Mike helped me move, came time to move tool box, Mike drove the golf cart I sat on the back balanced tool box and we drug it up the street, and also the time with lobsters, such a blast with him and Lisa. Mike I will miss you greatly, you are still loved
