“*Connie and Charles, Sorry to hear about the passing of your mother and my apologies for not being able to attend the funeral. A donation to the Celtic Hospice is forth coming. I remember a lot of good times visiting southern Illinois as a kid, especially those spent with your fun loving mother. The many softball games where she directed so many of the moves, her encouragement during those games, family picnics, and other large gatherings. She had a great outlook on life and I believe she lived it to the fullest. She will be missed by ALL. As we go further into our senior years may we all mirror her love of life and kindness.
