I have so many memories of this woman, we shared many coffee breaks talking about our life's ups and downs, the Joy's and struggles of parenting, relationships, the world. She was intelligent, funny, caring, and most of all strong. So my deepest heartfelt sympathy to her family, know that she loved you and you come from strong stock. Auf Wiedersehen Monica.

“ Monika was the most surprising guest at our wedding a couple years ago. We loved to see her there sharing that special event with us. We have also always enjoyed the little time we could spend with her throughout her visits to Germany. I've never met such a strong and caring person before, she have always put others needs above herself. Monika, you will always have a special place in our hearts. Our thoughts are with everyone close to you, we will miss you.

“ *When I met Becky our freshman year of high school, I never imagined I would be introduced to such an amazing family. A family that very quickly became my family as well. Monika took me in like I was one of her own and has loved me unconditionally ever since. She always put everyone else before herself. One of the most loving and selfless women I have ever met. She will be forever loved and truly missed.*
