“ Sorry about this delayed tribute. I stumbled across this Obit and wanted to share a memory. It pertains to Wayne and his cat named Carly. He adopted this cat and eventually told me that his mother fell in love with it and basically "hi-jacked" his cat. I just thought that was so sweet. Sorry for your loss. It appears she lived a good long happy life and that all of you contributed to her enjoyment of it. Enjoy the many wonderful memories of your lives with her.
