“ Nancy is my first cousin. Your grandfather Floyd and my mother Ruth were siblings. My mom was the youngest of the Howards and all her siblings were much older than she sous kids never really knew many of our cousins growing up. My mom always had nice things to say about Nancy. One thing I remember was how Nancy taught all of her kids to play musical instruments. I am saddened I didn't get to know you. I love ALL my family near and far. I am lifting you all up in prayer during this sad time.

“ So very sorry to hear this news...Nancy was such a special and unique lady. Always loved how funny she was and quick to make others laugh. I enjoyed teaching piano lessons with her for a short time and learned so much. Prayers for all of you during this time!

To the family, My name is Phyllis Aussieker, Nancy is my cousin her dad and my mother were brother and sister. My memory goes back many years ago. 1st as a little girl playing together in her back yard.....then again as a piano teacher for my 3 year old daughter. Nancy was always so patient and I enjoy looking back at a picture of Nancy and my daughter Jodi at a piano recital. Peace and comfort to your entire family. I couldn't make the service as I live in Oklahoma and just didn't have enough time to get it together. May each of you enjoy all the memories of your beloved wife and mother
