“ *Such a strong, amazing, beautiful, cousin and friend. She was always encouraging me and complimenting me but it was her that deserved all the compliments. It seems it's always the ones who struggle the most that are the most easy going and always have a smile on their face. Nicole was one of these people. Her parents did an amazing job raising her into the incredible woman she was. I am grateful to have been her family. She inspired me and her memory will leave a positive impact on so many. Margie, Mike, Uncle Davy Joe and Aunt Shelly I am especially sorry for your loss!*
