“ I miss my Nana so much. I am her first grandchild and I so was so close to her. I will always remember all the good memories I shared with her and my Pa. They raised me with so much love and patience, teaching me how to be a productive member of society with outstanding morals and values. To sum things up I have always thought of my Nana as my mother. I feel so lucky and blessed to have been loved by her and I know She is the most beautiful angel in Heaven now. I love u and miss u so much Nana.💛 Till we meet again, RIP
