“ Mike, I am so saddened and sorry for your loss. Although I never met Nita, I know she had to be a great person because she chose you. You are still the greatest mentor I have ever met. The comforts we have are the memories of sharing a life with our loved ones and knowing we will see them again in Heaven. I pray for comfort for you and your family.

“ To The Family of Nita Mobley.
I am deeply saddened for your family's loss. Nita taught my son and I Karate several years back. She and I instantly became friends. She not only taught me karate, but how to be a better person by living a simple life. I never heard her say a bad word about anyone. She was a compassionate, caring, humble, and just a good all around person. I was honored to call her my friend. I will miss Nita very much, but I know where she is and that gives me comfort.
Rest Easy Nita, you are home.
I am praying for comfort for your family's broken heart. May God wrap his arms around you and give you peace that ONLY HE can give.

“ To the Mobley Family, we were so very saddened to hear of Nita's passing and extend our heartfelt condolences to all of you. We want to share some of the wonderful memories of Nita and how she blessed our family for many years. Nita was the neighbor across the street to Beecher and Mona Donoho, our grandparents, and she cared for them in such a tremendous way. She was always there for anything they needed and spent a lot of hours with them laughing and telling stories. We would get to spend time with Nita when we would visit at holidays and Nita became an extension of our family. Her laughter, her cats, and her generous giving of her time and self is what we'll remember most fondly. Sincerely, Mark and Kristi Williamson

“ I talked to Nita almost every week day while County Treasurer visiting the Post Office.
I had known Mike and Linda for several years. Linda was a dear friend to my sister in law Linda. Mike was a State Trooper I met at the Courthouse.
After Linda Mobleys passing I was happy Mike met someone. I am so saddened their Journey was cut short by such a tragic accident. My prayers and condolences go out to her family and friends and her post office family. ❤️🙏🙏🙏

I was shocked to hear about Nita. My husband and I knew her from Trinity Methodist Church in Flora. She was the most kind and caring person you would ever want to meet. She would jump in to fix the time on the clock on Sundays before service. It was she who would handle the candle lighting until one day she was not at church so I offered to do it. From then on it was my job and I felt honored. She did so much for our little congregation, for example ordering the food when we were going to have a meal at church. Nothing was too much for her to handle. I know she is in Heaven where all the cats she's ever loved come to great her. Our little church will not be the same without you, Nita. God Bless. Miss Mobley was always very nice, kind, encouraging, and a pleasant lady. She will be dearly missed. During my karate classes, she was always patience, and helpful in instructing me to become stronger and more knowledgeable of the GO JU KEMPO karate. I will never forget the memories I have with Miss Mobley. Sincerely, Briar Tate (karate student)
