“ *Guy, Mary, Vince & your families, I am very sorry to hear of the loss of your Mother. Even though it has been 50 years since I moved away from Centralia, I have fond memories of her (& all of you) when I lived across the street. She treated me like one of her own, even to the point of giving me a dose of castor or cod liver oil when the three of you were lined up to get yours. May the loving memories of life's great moments console you now during this time of loss. Randy Moseley*

“ So sorry to hear about Norma's passing, I know the pain. I always got a kick out of Norma. She was a sweet lady. Before they shut down the nursing home I was taking communion to the St. Mary residents there. Norma was there for a rehab stint and I made sure to stop in and visit with her a little bit when I was there. May she rest in peace and may God give comfort to you all. From our family to yours...
