“ I am so very sorry for your loss. Your mom was such a special person, and I feel incredibly grateful that we were not just neighbors, but friends who shared so many moments together.

Some of my favorite memories are the simple, everyday times—kids playing, laughter outside, and all the little things that made our days feel full. Your mom had a way of making everything warmer and more joyful just by being there.

She loved you so deeply—that was always so clear. Everything she did, every moment we shared, her heart was with you. That kind of love doesn't go away. It stays with you, always.

May your memories hold you up during this sad time.

Your mom will always be remembered with so much love.

With all my sympathy and love,
Cindy
