“ Your Mom was a ray of sunshine. She always had a smile to share with anyone she ran into. She made me feel like her friend the very first time I met her. She loved to dance and go to events with her children. She was so proud of her kids and grandchildren. She was even positive and smiling the day that she came home from the hospital. Rest in peace, Paula. I hope you're dancing with your hubby in heaven. To the family please accept my deepest, condolences and prayers. 🙏
