“ I have fond memories of my cousin Peggy when we were MUCH younger. From playing at the farm, sharing wonderful meals your mom made (those pies), and the wonderful weekends at grandma and grandpa's lake house. Taking turns turning the crank on the old ice cream maker, swimming in the lake, riding on the train with grandpa, helping grandma in the kitchen, and catching sticks on fire and running through the camp ground. (surprised me never caught the place on fire). You are truly going to be missed by family and friends. Your kindness to others will always be remembered. Rest in peace cuz. 🌸💗

“ I didn't know Peggy very long but the times I was around her she was very sweet. Her and I could of had good times together for we both had a love for resale shops we could of shopped all day i'm sure. She will be missed. God be with her family and give them peace and comfort. So sorry for your loss.

“ I loved Peggy so much. She helped me in a time of great need when she lived in Tyler Texas. I'll never forget her and how much she did for my mother and myself. She will be dearly missed. But now she will be with my mom Ann Lytle in heaven. Kicking up their heels and having a great time.
