“ I am so shocked to hear of Renee's passing. I have not seen her for some time, but always loved working with her at Southeast Hospital. She was so full of "pis and vinegar", made everyone feel included, and gave great care to our patients. She was a great nurse. She loved her kids....talked about them all the time. And her laugh.....I can hear it now. I am so sorry for your loss. She will be missed. My prayers are with you all!
