“ *I have fond memories of Aunt Fefe lighting up the kitchen with her smile while she prepared breakfast for Uncle Jack, Diane and I. Always making sure that everything was perfect and comfortable for family and guests - one of the most welcoming homes I have ever visited. The Cardinals lost one of their most ardent fans and we lost a very special person. Stuart Elliott*

“ *My Aunt Phyllis was a beautiful woman with a kind heart. I always wanted to look like her and be like her. I remember so many fond memories of our days on Centralia. Marsha, and all our cousins grew up knowing each other and knowing Aunt Phyllis was a beautiful soul. Her brothers and sisters and family loved her. My dad Charles Gibson (deceased) and my mother Jean Gibson adored Aunt Phyllis. Prayers for Marsha and her family. May she Rest In Peace.*

“ We have such great Memories of Phyllis! She was our sister in Christ at Greenview Christian Church. She & Majo were on several committees together. She was a jewell of a woman. Her smile lite up an entire room.
Rodney’s “Ma Bates” & his Aunt Phyllis & Uncle Bill Morris used to tell us great stories during their long friendship. She definitely loved Jesus and her family. We loved her . . . What a great reunion there will be one day!!!

“ Sad to hear that Phyllis has passed. I worked with her at the downtown Byrd-Watson Drug store. You could not find a classier, friendly coworker. Sympathy to her family and be assured that she instilled a lot of fond memories in those who knew her!

“ So sad to hear of the passing away of a friend and former coworker. Phyllis was a very kind person and a coworker who was a delight to work with. She dearly loved her husband and her family. I know that you all have such fond memories of your mother and grandmother. I also know that you will miss her so very much. This world has lost an angel while Heaven has gained a saint. She was always so supportive of me and an encourager. I treasure the fond memories of her and I working together at the Centralia downtown Byrd Watson. We shared many good conversations. I can tell you that she talked of Jack and her family in a proud manner with such love. May God comfort all of you during this difficult time. Hold on to those fond memories of Phyllis.
