“ Rachel not a day goes by that I don't think of you. You had such a caring compassionate heart. I remember going to nursing school and working with you. I remember that you always cared so much for your patients. I remember us going to get our tattoos that Shorty's daughter had drawn. I remember the pain of that tattoo but I took it like a champ because I didn't want to look like a big baby. Lol Gosh I miss our talks and comparing pain. I miss you but I know you are no longer in pain. Until we see each other again.

You could see your beautiful kids and precious grandchildren. I still can't believe your gone it's just so unreal. Rip beautiful

July 25, 2017 at 12:00 AM

“ *Ra'chel was an amazing person. So beautiful inside and out. I had the pleasure of knowing her precious soul through work. Such an outstanding nurse. Her smile was contagious. Always so kind, caring, and compassionate. I will miss seeing her smiling, cheerful face every week. Though no words can heal the heartache of losing her, I want her family and friends to know she will be missed dearly by all who had the pleasure of meeting her and she has touched the lives of many. I'm thankful she was brought into my life and will always remember her. May you rest in peace Ra'chel.*
