“ Truly an original guy with a great sense of humor who was always laughing and enjoying life's simple pleasures. I'm so grateful that Randy was able to travel to Florida to attend my wedding as my new father- in- law and the time we had was precious. I'll always look back with fondness on all the great memories I've captured from our many chats over beers and barbeques, golf outings, and the holidays we spent together. RIP Randy, you will be remembered.
