“ Randy & I were born in Centralia within 10 days of each other. We attended Field Elementary together (before parts of my family moved to AZ). Randy was a fine young man (even then he was quite athletic & fiercely competitive) &, as I heard over the years from my family that remained in southern IL, remained a fine person throughout his life. I am saddened by this loss, but hope that the fullness of time will allow even further recognition of the blessings brought by affiliation with such an outstanding individual. He went too soon, but this is a much better place for him having been among us.
