“ *One of the best bosses I have ever had. I worked under him for several years when he worked at Swifty Gas. He was one of those if ya needed a day off or needed help he was there to help in anyway possible. As the station had closed close to 10yrs ago me and Randy stayed in touch whether it was text, call, or he would drive up to West Frankfort. Randy loved his family and he would tell me all about his camping/fishing trips. You will be definetly missed until we meet again my friend.*

“ *I have known Randy for many years. Went to school with him and also worked with him for a few years. One of the kindest people I have ever known. He would always step in and help anyone that needed it. He was always kind to me and I enjoyed working with him. I know he loved his family very much and would do anything for them. I know he is now reunited with his little "Bean" and they are up there enjoying each other. My prayers go out to his family. May you rest in peace, Randy. You will definately be missed.*
