“ I just heard about Uncle Richard. I have many fond childhood memories of him. I wish I had been able to spend more time with him. As with many time and distance tends to separate us. I remember going up there right before I got married(23 years ago)and he showed me a potato gun made from PVC, which was about the coolest thing I have ever seen. A couple of weeks later my wife and I went to her uncles cabin and I saw my second potato gun. Love, Steve Hays

“ Barbara and family, I am so sorry to hear that Richard had passed away. Our childhoods were mingled together as cousins often were and he was more of a second brother. Time has gotten away and our lives went into different directions but our mothers remained friends as well as sisters. I have always remembered him fondly with great memories of swimming in ponds and spending summers with lots of laughter . I am so sorry Barbara, love to all of his family, I know he will be missed.Love, karen Connaway cleveland
