“ I remember when we was at my fishing club, when we were docking the boat I was pulling it up on the bank. I didn't see he was in the middle of getting up and out the back he went! Thought he was going be upset, instead we both started rolling as I jumped in with him and continued horseplay, think it was our cleanest we had been all week! Lol

“ Praying for peace and comfort to all who knew and loved Lyle. When I think of him it's with a big smile on his face as a kid. And that's the way I will remember him until I see him again. ❤️ Much love from Aunt Rita and Uncle Mike.

“ Awesome memory with Lyle: Getting to take him camping when he was a kid. We got to hangout, fish, campfire cook, be goofy, and solve the problems of the world together...as much as a kid and young adult could in the moment. Rest in peace, cousin. May God welcome you and be with those missing you.
