“ Rick was a long time friend. We played football together in high school. He taught me how to water ski behind the family boat on Lake Centralia.

After high school, Rick drove his 1968 Nova as 4 of us went to the Lake of the Ozark for a July 4th camping trip. It was a party on wheels and in the campground. Rick visited while I was in college, and he and Charlie Boudet were out of the blue, surprise guests at my wedding. Stayed with Rick for a weekend to attend one of our high school reunions, and often stopped to chat at his business on trips to see my family. Rick was great when my father died, coaxing me to talk about it and listening as a true friend. Seeing him at our 50th reunion was a highlight. Rick was always at ease with people.

Farewell Rick my friend.
