“ *He was such a great guy! I remember as a kid, he was a good friend of our family. He was a police officer and whenever I would see him around town he would always tell me he was watching and if I got into trouble he would be there and then he would be telling me parents...lol! Then when I had my own kids and we lived down the street he would always come down and talk to the kids and play with them. One time my son ask him if he would buy his little sister and he said of course.....lol! Every time they saw each other after that he would always ask my son, "do you want to sell me your sister today". He will be missed very much! Prayers for Linda and Missy!*
