“ I want to offer my condolences to Rod's family and friends . I was shocked to hear of his passing. I got to know Rod back in the mid 80s and had the privilege of playing in a couple different bands over a few years. I have so many great memories of good times with Rod. There was never a dull moment when he was around. Although I hadn't seen him in many years, I cherish those memories. I am praying for peace and comfort for his family and friends.

“ I can almost taste the delicious ribs he would spend hours cooking outdoors for all of the Heidgerken extended family get togethers. As Jeanine’s sister, I can express how much I along with the rest of us, will miss his his contagious laughter, jokes and generosity in hosting us for pool parties, and just a few days ago Christmas (December 23). I am so happy that we got to share this wonderful day along with the extended Long family. A precious memory to keep in our hearts
