“ I worked at WCP. I was in a different department, but got to know Ron at the union meetings. I remember him as a very genuine, caring individual who sought out the truth and wanted to hear all sides of an argument before making a decision. Every time I saw him at Rural King, if he had time, he would stop and we would visit. He was a good man and the world is a better place because he was in it. Most Sincerely, Jill Kline
