“ Tana, Carla, and Leon. I am so very sorry, for your loss, especially around the Holidays, like this. I do like to think, the Lord needed a another helper. He got the best when he chose Rosie. I am going to miss her at the reunions, if they will still be held. Aunt Margaret and Uncle Lee, sure did raise super kids. I loved them all. I miss them all. I am so sorry to tell you kids and the rest of the family that I can not be with you Saturday. I will be with you in Spirit. All, my Love cousin Judy Cox.

“Rosy was one of the most beautiful women I have ever known in my life. Although a very beautiful woman in her own right, it was more her generosity of spirit, her caring nature, and the impeccable manner in which she juggled caring for dozens of children, her own family and her home. She was a hard working woman and a testimony to goodness. She played a huge role in my children's lives, and I directly credit her assistance in their upbringing for helping me to mold them into the young people they are today. There really are no words to express my sadness at her passing. My condolences to her family. I will pray that you all find some measure of peace in knowing that she was the epitome of what any woman could ever hope to become as a mother, neighbor, friend and parishioner of God. May God bless you all.
