“ Roy was our neighbor and good friend. He will be missed dearly. When we moved to florida in 2007, Roy came over and introduced himself. Richie and Roy became good and dear friends. The had a special connection. When we were in our yard Roy would always come out to see what we were up to, and would end up helping us out. We would sit and talk about our lives nd some times cry . But we did a lot of laughing too. We shared dinners and holidays in our home and went out together. We grew to care deeply for our freind.I will miss the "Hello" on the other side of our fence. I will miss the times he would ask for a hug. He was Roy and we love you.
