“ *I am so happy that I was able to be a part of Sandy's life. He was such a joy to sit and talk with. I didn't get to know him as well as I wish I could have, but the times we visited were very special to me. The last visit I had with him, we were able to just sit and talk. He talked about his family and how proud he was of them. He was grateful to be in his home where he was most comfortable. Sandy will be missed by all. God bless.*
