“ *Sandy took me in like I was one of her own at one of the lowest points in my life. She was the sweetest, most caring, selfless people I have ever had the privilege of meeting. I know she is looking down now at all of her loved ones and watching over us all with that same sweet smile that I always seen on her face. She will be greatly missed. I'm sending all of my love to her and her family.*

She was a great woman and always friendly when I talked to her through the years. Remember her even when I was a kid.
