*Shane was a wonderful electrician and a great man. I purchased a home, many years ago, in Patoka, and was going to use an electrician from Lincolnshire, IL, from where I came, but this was cost prohibitive. I somehow encountered Shane and he was extremely knowledgeable, patient and thoughtful. He was a wonderful and kind person and I am terribly sorry for his much too premature demise. I pray that he is resting at peace in God's benevolent care and comfort.*

*Shane will be dearly missed. I always enjoyed his company. We never found the time to burn gunpowder together, but we would each share our separate experiences. Shane was one of those people that would make you smile as he approached because you knew he would have great conversation. The shooting community has experienced a great loss but his family a greater one. My deepest sympathies to Chrissy and his children.*
