“ Sincere sympathy and prayers to Shannan’s family. Shannan and I became friends back in the late 70’s early 80’s while working at Kmart. When she introduced herself and told me her last name she said “I know, it’s a square name”! Such a kooky, crazy and fun loving individual that always kept me laughing. It’s been many years since I last seen Shannan but often she’s crossed my mind. I’d say it would be a toss up of who talked more, me or Shannan and I have no doubt that’s why we got along so well 😊 Rest easy friend 🙏

“ Shannon, was a sweetheart. She worked at our office years ago as a secretary with the C.E.F.S. program. Immediately she became our family friend. I wish through out the years I could have helped her more but Shannon, was going to do her. I know she was so happy when one of her children was born on my birthday August 1st or maybe close around (can’t remember.) We kept in touch until about 9 or 10 years ago but her name would always come up with love. So very sorry for you lost. To us she was a ray of sunshine. Will keep family and her sweet children in prayer.

“ Jerry and Judy, I am truly sorry to hear this. Valerie shared the news with me last night and the wonderful memories of our youth are running rampant in my head. I loved our times we had driving around in her orange datsun or on the motorcycles (all of which we were probably not supposed to be doing). I thought of her often throughout the years - absolutely every time I heard a Cars song and every year on her birthday. I looked through my yearbook this morning and read every thing she wrote - again. The memories I have are all super great ones - we were BFF's before there were any. Thank you for letting us be ourselves and for running around the farm. I am sad that not everyone knew her as we did. I can still hear her laugh and see that smile. May God comfort you and her children at this time. I would love to be a part of any service you have at a later date.
