“ *Kristina and Doug-- you don't know me. I worked with your mom years ago at Hollywood Brands in the office. Visited at their house many times and shared their joy at your birth. Remember your dad quite well also. Your mom and I would laugh privately at some of his antics! I was unaware that he had passed and more recently that your mom passed. You are lucky to have had two great parents. I know they are missed by many. I just wanted to add my condolences. Joyce Bauza*
