“ Shirley was a neighbor of ours. She was Kevin and Jeremy's grandmother. She knew our kids well as they were very frequently at Randy and Chery's. At Christmas, 1993, our son Andy was diagnosed with cancer. We came home from Children's Hospital on Christmas Eve night. Shirley and her whole family insisted that we eat Christmas breakfast with them. What a blessing that was! The Pryor's - good neighbor's - good friends! Rest in peace Shirley with Grandpa Dale!

“ Rest in peace dear Shirley. Shirley was a coworker and so was her loving daughter Patty. She was a long time supervisor at Friendship House and a dedicated worker. You are no longer in pain. Special condolence to her daughter Patty, who was by her side at all times. Prayers for the family and friends of Shirley.
