“ *I never got to meet you, but I have the pleasure of knowing your daughter Jessica. She's a pretty amazing woman and something about her is just special. I think it's safe to say you're a big part of who she is when it comes to being a good person with a good heart. She would always mention you or have a story to tell about her dad. I don't think I'll ever forget the story about sneaking rolo candies to the kids. It's so much fun and clearly a fond memory Jess has in top of all the others.*

*My condolences to Jessica and her entire family.*

*Sending love. -Jarrod*
